PROFILE

Sales and Account Management professional with 6+ years across B2B and B2C SaaS, consultative selling, and customer success. Owns the full revenue and customer lifecycle — from discovery, proposals and deal closure through onboarding, adoption, retention and account growth. Managed a rotating portfolio of 80–100+ B2B SaaS accounts worth ~£30,000 in recurring subscription value, sustaining an 85–90% renewal rate through proactive relationship management, consultative selling, and data-driven account health monitoring.

CAREER SNAPSHOT

85–90%	80–100+	£30K
RENEWAL RATE	B2B SAAS ACCOUNTS	RECURRING SUBSCRIPTION VALUE

CORE STRENGTHS

Consultative Selling · **Onboarding & Implementation** · **Product Adoption** · **Retention & Renewals** · **Upsell & Cross-sell** · **Customer Health** · **Churn Risk Mitigation** · **Stakeholder Management** · **Voice of Customer**

EXPERIENCE

Senior Business Account Executive
Dec 2022 – Dec 2025
Foodhub Software Solutions Pvt Ltd

- Owned 90-100+ B2B SaaS accounts across onboarding, adoption, retention and growth, maintaining structured coverage of a high-volume portfolio.
- Led discovery, tailored demos and pricing conversations, translating client requirements into product configurations and commercial proposals.
- Delivered end-to-end implementation and product training for 30-50 clients each month, helping customers reach first value faster.
- Monitored usage patterns and customer health indicators to surface risk early, coordinate recovery actions and protect renewals.
- Identified and closed upsell and account expansion opportunities through engagement and usage analysis.
- Maintained opportunity, conversion and interaction data in CRM to support pipeline visibility and account prioritization.
- Partnered with product, engineering and support to resolve escalations and improve the post-sale experience.
- Mentored junior team members on SaaS workflows, customer communication and execution standards.

Client Support Executive / Consultant Nutritionist – Sales
2020 – 2022
HealthifyMe Wellness

- Managed the customer lifecycle across onboarding, platform guidance, adoption, renewals and upgrades.
- Handled 40-60 consultative customer interactions daily, diagnosing needs and converting prospects into paid subscribers.
- Drove plan renewals, extensions and value-added upgrades against monthly revenue goals.
- Used CRM and progress data to identify retention patterns and prioritize follow-up.
- Led system walkthroughs and feature training to improve platform adoption and customer confidence.
- Trained new hires on discovery, objection handling, sales scripts and service workflows.

EARLIER EXPERIENCE

Product Nutrition Executive / Sales
2019 – 2020

Nestlé – Baby & Me

- Drove field sales and product education for a specialized nutrition portfolio, building trusted relationships with healthcare professionals and consumers.
- Delivered presentations and product demonstrations to support adoption and repeat purchase.
- Conducted customer-needs and market analysis to identify territory growth opportunities.

Product Nutrition Consultant
2018 – 2019

Biophenix Health Care

- Delivered technical demonstrations and training to support business development and product adoption.
- Translated client requirements into tailored product recommendations and strengthened ongoing relationships.
